Re-Scheduling Enhancement for T20

Save time when your interviewers can't make an interview!

Now when your interviewers decline an interview T20 will automatically ask them to reschedule their interview

This is the first of a few enhancements coming to T20 scheduling! Connect with your account team to learn more.

Google Calendar Integration for T20

Work with your account team to enable this new feature

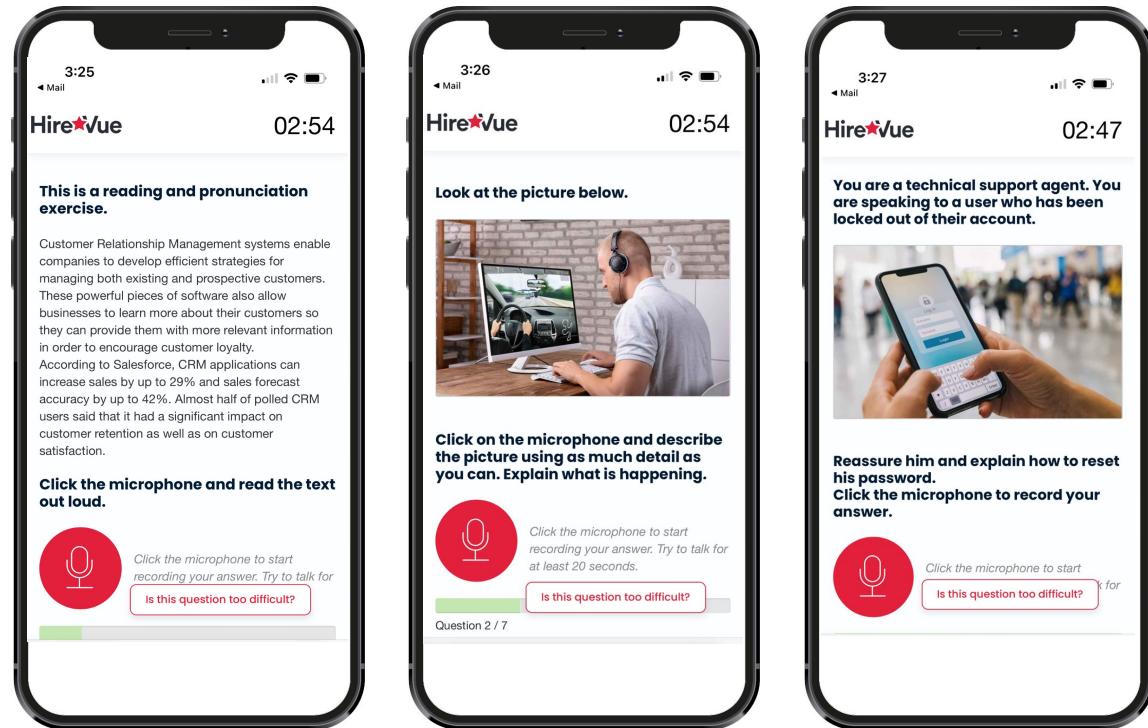

Easily use your google workspace calendar to schedule and manage interviews! Now you're able to sync your availability for candidate interviews to HireVue.

- ✓ Avoid double bookings
- ✓ Reduce interview no shows
- ✓ Reduce reschedules
- ✓ Ensure candidates select available times

Coming early 2025!

These tests will empower your hiring teams to effectively evaluate critical language proficiencies such as reading, writing, listening and speaking at scale.

Introducing Language Proficiency Tests

We are looking for early adopters for language proficiency tests! Are you interested? Reach out to your account team.
